RAPHELA JUNIOR SCHOOLS

NURTURE EXCELLENCE FOR GREATNESS

SCHOOL NEWSLETTER ISSUE NO.8 Friday 21st July 2023

Dear parents and guardians,
We are proud to showcase the outstanding accomplishments of our children from this past week. They have had a tremendous opportunity to shine during Spelling Bee preparation and rehearsals, First Holy Communion, and the final SST project work. Their commitment and perseverance have certainly inspired us.
We applaud the young spellers who have diligently practised for the spelling bee and wish them luck in the competitions. Their diligence and dedication deserve the highest praise.
Our heartfelt congratulations also go out to those who have been selected to receive their First Holy Communion. This significant achievement represents not just our academic position but also our spiritual development serving as a reminder of the principles we uphold in raising our children.
We are honored to be a part of our children's life journey and delighted to witness their success in a variety of spheres throughout their lifetime.

THE FIRST HOLY COMMUNION CLASS OF 2023

We are pleased to announce that today, we have come to the end of our first holy communion class of 2023. Our children have learnt about the truth and foundation of the faith which includes creation, trinity, sin, commandments, sacraments and the church at large. They have also been introduced to how to live the life of a Christian and have nurtured them to be God fearing citizens.
Our classes of confirmation and solemn commitment are still on going. We will be excited to keep you up to speed about their progress too.

"I am the bread of life; whoever comes to me shall not hunger, and whoever believes in me shall never thirst."John 6:35

THE SPELLING GURUS!

The Wakiso District Spelling Bee Competition is scheduled for tomorrow, July 22. As the host school, we are really eager and prepared to host the competition. After a series of internal competitions, our participants were finally selected to represent the school. As instructed by the teachers, they have established proper English language usage through multiple spelling exercises, learnt new vocabulary, improved their spelling, increased the richness of their vocabulary, built and improved their confidence and audibility, and built and enhanced confidence. Additionally, they have motivated their classmates, whose proficiency with the English has substantially increased. We wish to express our gratitude to our parents for helping us along the way. We couldn't be prouder of our children for the bravery and tenacity they have already shown. We undoubtedly have faith that our they will succeed with flying colors tomorrow.

THE RAPHELA NETBALL CLUB

CLUB OF THE WEEK

We are thrilled to share the exciting progress of our very own Netball Club at Raphela Junior School. Over the past few months, our dedicated netballers have been enthusiastically learning the fundamentals of the game and embracing the spirit of teamwork. Under the guidance of our skilled coaches, our children have been fully immersed in the world of netball, mastering the art of stepping, perfecting different positions, honing shooting techniques, and executing precise ball passing. The enthusiasm and passion for the sport displayed by our budding netball players are truly inspiring.

We are delighted to announce that our Netball Club now proudly boasts two fully fledged teams, each brimming with talent and determination. These young players have set their sights on becoming even stronger than the renowned She Cranes, and their hard work and commitment are evident in every game they play.

Beyond the court, the sport of netball has proven to be a transformative experience for our children. Through the challenges and victories they encounter, they have been developing essential life skills such as discipline, determination, and resilience. Our coaches not only focus on nurturing their sporting talents but also on cultivating strong character traits that will serve them well in all aspects of life.

IMPORTANT DATES NEXT WEEK

29th July 2023: Continuous Assessment 4 - Primary 7
